

HOLD THE LINE  
(Eric Bibb/Glen Scott)

Lately, I've stopped thinkin' in fightin' terms  
War is not the way I choose  
But the world right now  
Looks like a battle ground  
Where everyone of us  
Stands to lose

*Chorus:*

Holdin', holdin', holdin' the line  
Holdin', sometimes holdin'  
Is all we can do

Hatred's an affliction plaguin'  
So many souls out there  
Far as I can see  
The only remedy  
Is a tidal wave of love  
Everywhere

Holdin', holdin', holdin' the line  
Holdin', sometimes holdin'  
Is all you can do

*Repeat first chorus.*
