

HOLD THE LINE (Eric Bibb/Glen Scott)

Lately, I've stopped thinkin' in fightin' terms
War is not the way I choose
But the world right now
Looks like a battle ground
Where everyone of us
Stands to lose

Chorus:

Holdin', holdin', holdin' the line
Holdin', sometimes holdin'
Is all we can do

Hatred's an affliction pluin'
So many souls out there
Far as I can see
The only remedy
Is a tidal wave of love
Everywhere

Holdin', holdin', holdin' the line
Holdin', sometimes holdin'
Is all you can do

Repeat first chorus.
