

RIDIN'  
(Eric Bibb/Glen Scott)

Train's in the station  
Won't be stoppin' long  
Won't be comin' back this way  
Comin' back this way again

Don't miss this chance  
To face an' understand the past  
'Cos the truth will set you free, my friend  
Truth will set you free

Ridin' on to Memphis  
Where they killed a king  
Remember that?  
Derailed for a while  
But now we're back on track

Stoppin' in Rosewood  
Pickin' up survivors

Chorus 1:  
(When you be)  
Ridin' – Lord, we're ridin' on the Freedom Train

If anybody asks you  
Where I am  
When they don't see me 'round  
'Round here anymore

Tell 'em if they wanna find me  
All they have to do is follow –  
Follow they hearts an' get onboard  
Get onboard!

Chorus 2:

Ridin' – ridin' on the Freedom Train

Stoppin' in Rosewood  
Pickin' up survivors  
Stoppin' in Selma  
Lord, Montgomery, too

Stoppin' in Gainesville  
Stoppin' in Money, Mississippi  
Thinkin' 'bout Emmett Till  
Y'all remember Emmett Till

Chorus 3:

You be ridin' - ridin' on the Freedom Train

Ridin' - ridin' on the Freedom Train

Ridin'on the Freedom Train
